

My Mum

My mum is the best mum in the world. My mum has chocolatey brown hair with lovely streaks of blonde. She wears red and grey most of the time and those colours suit her well. I love her shining, shimmering smile.

My mum likes to go ice skating with me and just hang out.

My mum is warm and she always lifts the mood on a bad day. My mum gets growly when I say, "Muuuummm". She says, "go to time out now and I'll double it if you slam the door."

My mum isn't always like that though. My mum likes to think about chocolate and coffee.

My mum's favourite foods are thai, chocolate, pumpkin soup and many more. My mum likes it when I make her coffee. She goes "yahoo!" when I come home from school all covered in mud because she thinks that when I am muddy I have had a great day!

I love to hug her because I love her. I know that she loves me.

My mum is humongously awesome.
